Mr. Willie Hiddick,  
919 Faulkland St.,  
Norfolk, Va.

Dear Willie:

Abe called me last night from North Carolina and told me to order placards for The Eagles and Washington Hilldales to play in Portsmouth Sunday, April 26th. He told me to ship the cards to you and have you or Percy put them out. You should receive them by Saturday.

There is only one week before the game, so please get them distributed as soon as possible. The passes will be in the package with the cards.

He may come to Norfolk this week before the game. Hope you are well.

Very truly yours,
